The goal is simple.

Every student should have a place to call home.

WHAT IS IMPACT AVENUES?

Impact Avenues is group of over 35 agencies who have come together with the goal of decreasing youth homelessness. With intensive case management and one-stop resources, families are able to remove barriers, learn new skills, and find a permanent place to live.

WHAT CAN I EXPECT IF I PARTICIPATE?

Families participating in **Impact Avenues** will:

- meet one-on-one with their intensive case manager to assess their needs,
- identify short-term and long-term goals,
- meet with agencies to support their specific needs, and
- take classes to learn budgeting, health, employment and other skills.

It's hard work, but it's worth it.

HOW DO I QUALIFY?

To qualify, a family needs to:

- be homeless (qualified by their school district),
- have a student in a Topeka school, and
- be ready to get to work on finding housing and learning how to stay housed.
